

## 2011-12 CoSIDA Sponsor Directory

*Over the years, CoSIDA has depended heavily on the support of their corporate partners and sponsors to help insure a successful annual convention and yearly organizational funding. And, over the years, these partners have been tremendously supportive of CoSIDA and our missions. Sixty (60) organizations in total provided support for the 2011 convention and 20 of them also provide support with their sponsorship throughout the full 2011-12 academic and organizational year. From an organizational standpoint we owe them our sincere thanks and hope that you will also say "thank you."*
